Dr Sir

Rumor has it

that several Ladies will be dropped
at the end of the month from the
list. As 15 new men discharged
yesterday, it seems that there
might be some foundation for the
rumor. I trust you will be able to
hold my sister, Mrs Maggie E Corbly,
then, as she has two small children
to support.

Yours truly

Dear Sir

Rumor has it that several ladies will be dropped at the end of the month from the Mint. As 15 men were discharged yesterday, it seems that there might be some foundation for the rumor. I trust you will be able to hold my sister, Mrs. Maggie E. Corbley, there, as she has two small children to support.

Yours Truly,
T.W. South
